

**135.156D Technical infrastructure.**

1. The Iowa health information network shall provide a mechanism to facilitate and support the secure electronic exchange of health information between participants.

2. The Iowa health information network shall not function as a central repository of all health information.

3. The Iowa health information network shall provide a mechanism for participants without an electronic health records system to access health information from the Iowa health information network.

**2012 Acts, ch 1080, §13, 17**

For future repeal of this section upon assumption of administration and governance of the Iowa health information network by the designated entity; notice by Iowa department of public health to Code editor upon assumption by the designated entity, see 2015 Acts, ch 73, §8, 9
